

Surveying Your Church's Financial Health

- Are you concerned about the impact of the recession on your church?
- Do you know?
 - the demographics of your church . . .
 - the financial health of your church members . . .
 - how financial issues affect the relationships of families . . .
 - how stewardship is viewed and understood . . .
- Do you want to help your church by understanding their financial concerns?

RSI has partnered with **Storing Treasures** to present a one of a kind tool to evaluate the financial health of your members. The Storing Treasures survey allows you to receive outstanding insight into the needs of your congregation and provides a customized financial program that will benefit your church for years to come.

You will receive excellent information in the church report including:

- Demographic information- age, marital and job status, annual salary, etc.
- Basic financial information- Average debt, average salary, giving, etc.
- Relationship information- reactions to financial situations, family dynamics, understanding of stewardship, etc.
- A comprehensive report outlining comparisons and an action plan.

Please contact **Mike Haswell** at 678-687-0001 or mike@storingtreasures.com to get more information and specific information on the value of this survey for your church.
